

Praise Song - You Are My All In All

You are my strength when I am weak,
You are the treasure that I seek,
You are my all in all

Seeking you as a precious jewel
Lord to give up I'd be a fool
You are my all in all

Jesus, Lamb of God
Worthy is your name (2x)

Taking my sin my cross my shame
Rising again I bless your name
You are my all in all.

When I fall down you pick me up
When I am dry you fill my cup
You are my all in all.

Jesus, Lamb of God
Worthy is your name (2x)

In the name of God who has created this world, and of Jesus Christ who gives meaning to our lives, and of the Holy Spirit who goes with us indoors as well as out, we pray.

Amen

Liturgy of Camping Ministry

Mighty God, since you first used your hand to carve hillsides and form lakes, to fashion fields and create canyons; since you first decorated your world with waterfalls and wildflowers, sand beaches and sunsets; since you first planted a lush garden and populated it with all living beings, your magnificence has been clear through your work of creation.

We thank you and praise you, magnificent God, for the world you have provided, a place to live and to call home.

Since you first used the drama of fire, the whisper of wind, the peace of calm waters, you have spoken to your people through nature, and your people have responded. The chance to listen for your voice and watch for your signs today is as important as ever.

May we stop and listen, may we widen our gaze and look for your presence that is always surrounding us.

When we leave our busy lives behind and we enter into the peacefulness of the forest, when we set our minds and hearts on you,

We thirst for your inspiration.

Praise Song - Here I Am To Worship

Light of the world, you stepped down into darkness
Opened my eyes, let me see.
Beauty that made this heart adore you,
Hope of a life spent with you.

So here I am to worship, here I am to bow down
Here I am to say that you're my God
And you're altogether lovely, altogether worthy,
Altogether wonderful to me

King of all days, of so highly exalted,
Glorious in heaven above

Humbly you came to earth you created
All for Love's sake became poor.

And I'll never know how much it cost
To see my sin upon that cross
I'll never know how much it cost
To see my sin upon that cross.

So here I am to worship, here I am to bow down
Here I am to say that you're my God
And you're altogether lovely, altogether worthy,
Altogether wonderful to me

We are blessed to have a variety of Moravian church camps throughout
the world that mold and shape many lives.

**Our camps are sacred spaces. We pray that they may always be a
safe place to build relationships which honour and glorify Christ.**

May the moments of love that have been experienced at camp be life
changing and renewing in mind, body and spirit.

**For the many lives that have been touched by your Holy Spirit
through our camping ministries, we give you thanks O Lord.**

May our camp leaders have visions and our campers dream dreams, so
that our camping ministries may continue to bless many faithful
followers in the years to come.

Praise Song - Open The Eyes of My Heart

Open the eyes of my heart, Lord
Open the eyes of my heart
I want to see you,
I want to see you

To see you high and lifted up
Shining in the light of your glory
Pour out your power and love
As we sing holy, holy, holy

Holy, holy, holy
Holy, holy, holy
Holy, holy, holy
I want to see you.

To see you high and lifted up
Shining in the light of your glory
Pour out your power and love
As we sing holy, holy, holy

Open the eyes of my heart, Lord
Open the eyes of my heart
I want to see you,
I want to see you

We know that you are with us Lord at all times. In moments when we
feel empty and alone

Fill our cup until it overflows

When we need encouragement to continue down the path set before us

Blow through us like a mighty rushing wind.

When we hear your call to serve our neighbor,

May we remember that Jesus is the friend next to us.

When the worries of today begin to overbear us,

May we remember that you are our strength

When we feel as though we have lost our way,

May we remember that every step we take, we take in you Lord.

Christ Jesus give us strength for today,

For we know joy comes with the morning.
